### **ABOUT THE EVENT**

Ongoing change in the Australian Public Sector has unlocked new and exciting opportunities for emerging women leaders to step up into senior executive roles. Responsive and adaptable leadership is critical when navigating this change successfully. Leaders who are responsible for this must be strategic, influential, and take responsibility for highly complex projects. This is particularly true for those in FLL& FL2 roles.

Aimed at existing and emerging EL1 & EL2 women leaders, this two-day workshop will deliver the essential toolkit for success in the Australian Public Sector. Aspiring leaders in this environment must display reflective thinking, self-awareness, planning and strategy, but also the confidence and courage to put themselves forward for new opportunities.

This workshop will equip women with the tools and practical knowledge to build confidence in their leadership abilities and to best position themselves for career advancement. Delve into the increasing complexities of stakeholder management, building autonomy in your team, and becoming a key influencer and decision-maker.
