ABOUT THE EVENT

Ongoing transformation within the Government has created a greater need for cross-agency collaboration. As such, aspiring and emerging leaders are now required to undertake work of a more complex nature, operating in a collaborative and strategic manner to meet whole of government objectives for effective engagement with senior leadership.

This hands-on workshop will provide you with an opportunity to enhance core skills and explore the emerging leadership capabilities required for effective leadership within Government. You will delve into practical strategies to help you lead productive teams, improve decision-making, increase collaboration between state and federal government departments and develop key skills for stakeholder engagement.
