## ABOUT THE EVENT

Leaders across all sectors and industries have been tested like they never have been before, being able to respond and adapt rapidly under conditions of uncertainty has been integral to success. If recent times have taught us anything, it's that uncertainty is a permanent feature of the global economy. To effectively lead into the future you need a range of tools, techniques and styles along with the wisdom to act appropriately in different situations and insights into the current and future drivers facing your organisation.

Aimed at middle to senior-level managers, this two-day workshop is an intensive professional development opportunity to enhance and refine your leadership skills in order to lead with confidence and conviction. Delve into the increasing complexities of stakeholder management, building autonomy in your teams and becoming a key influencer and decision-maker. You will discover how your unique skill set can be sharpened to unlock your potential and take the next step in your career.
