YOUR FACILITATOR

Garry's philosophy is to share the stuff he's learned and lived to help as many people as he can. He achieves this as a recognised consultant, facilitator, coach, presenter, speaker and MC. Garry creates space for people to contribute, reflect, share and clarify. His style is interactive and relaxed with humour, helping people feel at ease to ask questions and interact freely.

Garry is a certified i4 Neuroleader Practitioner, applying the i4 model and methodology to help organisations create healthier and brain friendly leaders, teams and cultures. A balanced and healthy brain positively influences our behaviour, attention, decision-making, memory and effectiveness. Neurobiology-based leadership & wellbeing programs help transform our organisations and communities from somewhere many people are just surviving, to places where they can thrive.

Garry's extensive experience includes public service executive, police officer, training manager, Prime Minister's bodyguard, Team Australia athlete in a European reality TV competition, jackaroo, screen actor, radio presenter, and Ironman triathlete. He is a member of Beyond Blue's Ambassador and Speaker Bureau, sharing his story to increase awareness and understanding of anxiety and depression in Australia, and to reduce the associated stigma.
