Strategic leadership – How to expand your leadership capacity to rise to the top

Strategic leadership is one of the most challenging concepts to master. It requires vision to realise extraordinary outcomes, courage to overcome resistance, and collaboration to build commitment despite diverse interests. Successful, inspirational Senior Executives understand that driving impactful and positive transformational change demands confidence to lead the way, the vulnerability to really listen to others, and the vigilance to realise sustainable outcomes.

In this full-day, intensive workshop you will unlock powerful new thinking and explore proven tools and frameworks to uplift your strategic leadership capacity and advance your career. Walk away with a clear strategic agenda and operating system, a confident mindset, a proven method to address personal and professional challenges.

- ▶ **Inspiring Strategic Leadership**
- ▶ **Transitioning from Specialist to Strategist**
- ▶ **Lean in with Standards, Boundaries and Priorities**
