ABOUT THE EVENT

In the retail and FMCG sector, businesses need to remain agile and able to adapt to the everchanging operating conditions, regulatory and social world around us. To effectively step up to the next level, you will need to master new tools, techniques and approaches that will enable you to respond to change and provide the leadership direction that your organisation needs to thrive.

Aimed at middle to senior-level managers, this two-day workshop is an intensive professional development opportunity to enhance and refine your leadership skills in order to lead with confidence and conviction.

Delve into the increasing complexities of stakeholder management, building autonomy in your teams and becoming a key influencer and decision-maker. You will discover how your unique skill set can be sharpened to unlock your potential and take the next step in your career.
